# iSchool<sup>SM</sup> of LEWISVILLE

## The STEM Academy

### Bridge Program

iSchool of Lewisville STEM holds an 8th grade orientation for students and parents at the end of the year to go over graduation plans and to outline programs offered in high school. At the beginning of the year we hold a 9th grade camp to introduce students to the high school and go through program requirements.

#### Spring 2021

- 7th grade students attend information sessions about electives and PTECH pathways
- Students select a high school elective course to take in 8th grade

#### Fall 2021

- 8th grade students begin course work in high school electives
- 8th grade student do research and meet with guest speakers about career opportunities

#### Spring 2022

- 8th Grade Career Surveys
- 8th grade PGPs for 9th grade year
